- 14:32:01 RAF P-0815 Posted
- 14:31:55 PICK P-0814 Validating
- 14:31:48 RAF P-0813 Item not found

> *One dashboard for all MES integrations – directly in Dynamics 365.*

DOMANDA PER VOI

How do you monitor your MES integration today?

→ Centralized in the ERP?

→ Separate monitoring tool?

→ Or only when something breaks?

Condividete il vostro approccio nei commenti!
