RAF PROGRESS

Optimize completion reporting

How do you report partial quantities to Dynamics 365 today? Individually, batched – or not at all until completion?

PROGRESS P-2024-0815

Batch 1	250 Stk
Batch 2	250 Stk
Batch 3	150 Stk

HERE'S HOW IT WORKS BETTER

Report partial quantities – as often as needed

Report as Finished Progress allows unlimited partial reports without closing the order.

📦 **Flexible partial quantities**
Report each batch individually – in real-time

🏷️ **Batches & serial numbers**
Traceability from the first report

📍 **Warehouse per report**
Post directly to the right warehouse

📊 **Visible progress**
Planning immediately sees what is already done

IN PRACTICE

Progress in real-time – directly in Dynamics 365

FLEXXLINK MES · PRODUCTION ORDER

QUESTION FOR YOU

How do you report partial quantities to your ERP today?

→ Each batch individually in real-time?

→ Collected at end of shift?

→ Or only at order completion?
