COMPLETION REPORTING

Optimize Completion Reporting

How do you report progress today – once at the end or continuously throughout production?

FLEXXLINK MES · RAF PROGRESS

65%

650 of 1,000 pcs · 3 batch reports

SLIK GJØR DU DET BEDRE

Progress reporting – continuous instead of just at the end

Why wait until the order is finished? Progressive reporting brings real-time inventory.

📊 **RAF Progress**

Report partial quantities at any time

🏷️ **Batch tracking**

Each batch with its own number

📦 **Inventory in real-time**

Finished goods immediately available

I PRAKSIS

1,000 pieces order – progress at 65%

FLEXXLINK MES · RAF PROGRESS JOURNAL

Order P-2024-0815 **650 / 1,000 pcs**

BATCH REPORTS

LOT-2024-001	200 pcs	✓ Posted
LOT-2024-002	250 pcs	✓ Posted
LOT-2024-003	200 pcs	✓ Posted

> *Every partial quantity immediately in inventory – not just at order completion.*

SPØRSMÅL TIL DEG

How do you report production progress today?

→ Continuously with partial quantities?

→ Once at order completion?

→ Or still on paper at shift end?

Del din tilnærming i kommentarene!
